Hours and Refunds

- Kayak Rentals are available from the office from 7AM and must be returned latest by 5PM.
- No refunds will be given for kayaks not used for the full rental time.
- Clients are charged for late returns as noted above.

We Provide Per Kayak Rental

- 1 Kayak, 1 Oar / Paddle, 1 Life Vest (PFD), 1 Tow Line

Capacity

- Only one Person is allowed per Kayak with a maximum Weight of 120kg.

Deposit and General Terms

- Only Adults (>18 Years) can rent kayaks and sign the indemnity form.
- Renter must leave his/her ID or Driver's License with the office for each rental. Licenses will be returned after the client has returned their kayak and equipment.
- Kayaking is only recommended if you can swim.
- Do not kayak if you have a pre-existing medical condition.
- Where possible, paddle closer to the shoreline and take note of changes in the weather conditions.
- No entry into "No Go" zones as identified by DWS on Boskop Dam Surface Map.
- Keep clear of larger vessels-cross behind, and not in front.
- We recommend always kayaking with a buddy to ensure help is nearby if needed.

Life Jackets

- TangleWood issues one life jacket per Kayak. Clients are required to always wear life jackets on the water.
- TangleWood reserves the right to stop the rental and instruct clients to leave the water if they do not comply with
- safety requirements.
- If you need assistance and no one nearby, use your whistle attached to your life jacket to call for help.

Children

- In General : Children may not kayak alone.
- Children under 7: Not allowed on TangleWood kayaks.
- Children 7 - 13 years: Must be accompanied by responsible adult in "joined" locomotion kayak
- Children 14 - 18 Years: Must be accompanied by an adult in a second kayak or in another water-based vessel for safety reasons.
