APPLICATION FOR ACCESS - BOSKOP DAM - WATER USE RULES

Water Access Pre-Launching Requirements

- Clients must report to TangleWood’s front office each day before launching to complete a SAMSA voyage form.
- Clients must hand in either an ID Card or their TW Access Card.
- Cards are returned when you leave the water and sign back in with the office.
- All SAMSA safety requirements as required by law must be adhered to. This includes having 1 life jacket per passenger on the boat. Clients will not be allowed to access without the required life jackets.
- TangleWood Staff will do spot checks for life jackets before clients can enter.
- Boats must be washed before and after leaving the water.

Engines > 15HP:

- Client must provide a valid Certificate of Competence (COC) & Certificate of Fitness (COF).
- No boats will be allowed to access TangleWood without a valid certificate.
- Expired COFs, or Interim COC’s that are already past their 6-month validity period, will not be accepted unless approved by SAMSA.

On | Off Water

- Boats may only be launched from the jetty and all boats must be off the water by 6PM Summer or 5PM Winter.
- This allows some daylight time to search if a boat does not return.

Speeding | No Go Zones

- Boats may only travel at Idle speed. No speeding is allowed.
- Boats may not enter any Buoyed-Off or “No Go” zones as per the Boskop Dam Surface map.

Kayaks | Children

- Children may not operate a boat unless accompanied by an adult. Children must always wear a life jacket.
- All Kayaking clients, including adults, must ALWAYS wear a life jacket.
